DYNASTY ENTREPRENEURS DEVELOPMENT, INC. LIFE TRANSITION PROCEDURES AND AGREEMENT FOR MEMBERS

Welcome to the **Kingdom of God!** You are now associated with one of the few ministries on the face of the planet that will teach and guide you in how to transition both Spiritually and physically out of the earth-cursed world system into God's kingdom of influence. As a Member/Disciple you are a vital link in the operation of the Body of Christ. Below, we have described procedures governing your ministry operation. The procedures address the following areas:

- 1. USE OF FUNDS**
- 2. DISCIPLESHIP**
- 3. AGREEMENT**

USE OF FUNDS

Funds are donated into Life Transition through member donations, resource donations, and individual and/or institutional donations. Dynasty/Life Transition donates a predetermined amount of those funds to each ministry affiliated with Life Transition to help defray the cost of each ministry. All remaining funds are then distributed to the benevolent needs of a world-wide community and toward member development.

DISCIPLESHIP

Evangelizing is telling people about the good news of Jesus Christ and allowing them to choose to follow Him. Discipleship is helping those people center their lives around that good news. I as a member/disciple understand that I can evangelize through every available media even though the preferred media is sending potential disciples to the Life Transition website (www.lifeblueprints.org) and following up to answer any questions they might have. Once they have made their choice to follow Jesus, the Life Transition ministry process then disciples them into operating in the Kingdom of God.

AGREEMENT

The Member/Disciple must sign and adhere to the agreement of which this document and its appendices are an attachment. The signed agreement must be filed with DYNASTY ENTREPRENEUR DEVELOPMENT WITHIN 30 DAYS OF SIGNING.

MEMBER/DISCIPLE TERMS AND CONDITIONS

Responsibility

I understand that my first priority and full time calling and job is the ministry of advancing the Kingdom of God both in disciples and in material provisions. My secondary calling and job is whatever career, abilities and gifts God gives me. And these are also in support of my primary calling. I understand that full time does not depend upon the number of hours I place in either area of my callings, but in my priority of heart. I know that God will supply all my needs to transition from my secondary calling to my primary calling.

Training

I the member/disciple agree to submit to and successfully complete the APPROPRIATE training program according to my respective membership. I understand that failure to do so may result in the loss of my membership/fellowship rights or privileges under this agreement.

Authorization and Contract

By signing this AGREEMENT, I have legal authorization as a Life Transition-affiliated Member/Disciple. I acknowledge that prior to signing, I have read and agree to the terms set forth on this document.

Expiration and Renewal

I must maintain a current authorization in order to preserve my rights as a member/disciple. My authorization expires on December 31st each year. To remain a member/disciple, I must annually submit, prior to December 31st my Renewal Agreement. My renewal may be processed electronically without any additional signatures from me. Thus, I agree to remain obligated to the terms of my original Registration. I understand that failure to annually renew my authorization on time will result in the loss of my rights as a member/disciple.

Terms of Donation

I understand that the suggested donation into the Kingdom for a member/disciple is \$12.00 per month or \$144.00 per year. I also understand that as a member/disciple, I am not compelled to give this amount and should give only what the Spirit of God has placed on my heart to give. If I cannot give anything, this will not hinder me from becoming a part of this ministry.

Christian Conduct

There is now therefore no condemnation to them which are in Christ Jesus. Thus, I, the member/disciple is expected to behave in the same manner in which Christ has shown His love for us.

Salvation

I confess that I have listened to the “Good News”, either on the website or by other means and that I am saved both eternally and temporally, according to Romans 10:9-10.

The Plan

I confess that I have reviewed and understand all areas of the “Plan” either on the website or by other means and that I enter into this agreement freely.

Supported Member

Supported Members are members who initially have access to all Core programs free of charge with the understanding that as God blesses me, I should sow into the ministry. If I have registered as a Supported Member, I agree to the above statement.

Member Fellowship Termination

I understand that the disciples in my fellowship group have the right to terminate my ministry fellowship with a tie-breaking vote coming from the council after a council review of the situation. Terminated members will receive half of their to-date accumulated donations for life (unless the ministry is dissolved).

Six Month Volunteer Status

I understand that as a member/disciple I am asked to serve for six months in a volunteer capacity. After six months, a negotiated flow of funds will be directed to me as a member/disciple to initiate and sustain my ministry.

Independent Ministry Status

I agree that this authorization does not make me an employee, agent, or legal representative of Dynasty Entrepreneurs Development, Inc. I will be operating my own independent ministry. I have complete freedom in determining the number of hours that I will devote to my ministry, and I have the sole discretion of scheduling such hours. Dynasty Entrepreneur Development, Inc. will not provide me with a place of ministry, and if I desire a place of ministry other than my own residence, I will be responsible for procuring, furnishing, and payment of the rental or purchase for such place of ministry. With respect to services performed by me for Dynasty Entrepreneurs Development, Inc., I will not be treated as an employee with respect to federal or state tax purposes, and I will be responsible for payment of any self-employment and other income taxes. It will be my sole responsibility to account for such income on my own tax returns.

Remedies

I understand that action may be taken against my independent ministry up to and including termination of fellowship, if I fail to comply with any terms of this Agreement.

LIABILITY

I understand that Dynasty Entrepreneur Development Inc. is in no way deemed liable for any illegal actions or actions with malice of forethought taken by my ministry while dealing with general public.
